### 1993 telephone directory delivery starts October 4

South Central Bell's new 1993 Mississippi Gulf Coast directory, with listings for the three coastal counties, will be delivered to local residents beginning October 4.

The new directory cover pays tribute to Mississippi craftsmen and craftswomen.

"Nineteen ninety-three has been designated as the Year of American Craft' across the United States. South Central Bell is helping to keep the best of Mississippi traditions alive in this salute to Mississippi crafts," said Tim Ryan, assistant manager.

The first commemorative cover of the new directory was presented to Elizabeth Lirette-Vest by Ryan.

Lirette-Vest is the signature artist for A Place of Art II, an outdoor exhibition and sale featuring 39 artists and their works. A Place of Art II will be October 9 from 10 a.m. to 6 p.m. on Main Street in Bay St. Louis. Members of the Craftsmen's

Guild of Mississippi, Inc., featured on the directory cover are: Susan Ford, two pieces of blown glass: Beamon Willis, basket; Marcy Petrini, weaving/shawl; Francine Alex, double-weave basket; Evelyn Little, star quilt; Claudia Cartee, ceramic teapot; George Berry, wood carving; Jerry Hymel, stained glass; Rogers Harris, white oak basket; and Maurice Milleur,

pewter jewlery. Ryan asks that customers allow at least three weeks for completion of deliveries. Anyone who hasn't received a new directory by October 25, should call the South Central Bell business office.

As the new telephone books arrive in October, the Hancock County Chamber of Commerce urges everyone to donate their old books to the Coast-wide tele-

phone book recycling drive. The Chamber, through support of area merchants, is offer-

National research indicates fatalities can be reduced 40 to 55 percent with correct safety belt usage.

There were 700 vehicular fatalities on Mississippi roads last

"That means from last year's figures, 280 to 385 lives could have been saved on Mississippi roadways if people had used their safety belts," said Ron Sennett, traffic records coordinator with the Department of Public Safety Planning.

The State of Mississippi passed a mandatory seat belt use law in March 1990, which requires the front seat driver and passenger to wear safety

Many people may not be aware of the law simply because no fine was established for breaking it.

Sergeant Hershel Ladner with the Highway Patrol office in Gulfport said, "The legislature passed the law, but did not establish any fine. If there is no negative action, the people are not going to pay attention to the

"What they don't realize is that driving is not a right. It is a privilege that can be taken away," said Sennett.

Representative J.P. Compretta said many legislators do feel it is a violation of personal freedom.

State Senator Bill Johnson said, "If you've got a law, you should enforce it and invoke a penalty for breaking it."
Compretta said the legisla-

"Often, the first thing we do is pass the law to get our foot in the door, and then put some teeth in it," he said.

Compretta said, "An important part of the seat belt issue is education, especially of younger people. This generation coming up will be one that will instinc-

alities were not belted; -68 percent of all drivers who were seriously injured were not belted;

-61 percent of all drivers who were moderately injured were not belted;

-46.5 percent of all drivers who received minor injuries were not belted:

These figures show that as the level of seat belt use increases, the level of injury decreases," said Sennett. The study also revealed that

To introduce a new approach to dicting, free samples were given to 50 people. With The Omicron Diet, one man lost 14 pounds in 5 days and one woman lost 18 pounds in 10 days. The average weight loss was over a pound a day for women and over 2 pounds a day for men. The Omicron Diet is a revolutionary new concept for unbelievably fast weight loss developed and clinically proven by National Dictary Research of Washington, D.C. This significant breakthrough in metabolic weight control was made possible by the utilization of biological information over-looked by other diet programs. With a formulation of natural enzymes along with real food, you shed unwanted pounds extremely rapidly and safely. Now available:

### Taylor pushes for anti-secrecy 'discharge petition'

In a major victory for the American people, the House of Representatives will vote to lift a veil of secrecy that has not been exposed for more than 60

At issue is a House rule that allows members of Congress to bring to the floor of the House popular bills that may be stalled in a hostile committee. To get the bill out of the uncooperative committee, a majority of members (218) must sign what is commonly known as a "discharge petition."
You may ask, "What is all the

fuss about?"

It all begins when a member of Congress signs a discharge petition. Until 218 signatures are attained, which is a rare occurrence, the names are locked in a drawer and members of Congress are forbidden to make public those members whose names appear on the list.

The last time a committee received a discharge petition was last year. Among much controversy, the balanced-budget constitutional amendment was freed from the Judiciary Committee and brought to the House floor were it was narrowly defeated. As in the past, I strongly support the balanced budget amendment and its discharge petition.

Since it is so difficult to get the 218 signatures required, before last year, a committee had not faced a discharge petition in more than a decade.

The most recent discharge petition, sponsored by Oklahoma Rep. James Inhofe, would make those signatures public as soon as the ink dries. As one of the first to sign Rep. Inhofe's discharge petition, I believe it is hypocrisy that a member of Congress can grand-stand back home, by touting their support for a bill, while in Washington they fight tooth and nail to kill it. Because the odds are in favor of those who offer unabashed lip-service, a member's double talk is seldom revealed.

It is unfortunate that such a rule has remained unchallenged for more than six decades. The American people have spoken, and a majority of the House has spoken; they want openness. And I will do everything I possibly can to assure Congress operates in an open and honest manner.

I am hopeful that Congress will approve Rep. Inhofe's antisecrecy bill so we can put an end to the foolish double talk. It is not productive for the American people, and it certainly is not conducive to enacting good legislation.

### LETTERS TO THE EDITOR

### Abuse of stadium facilities prompted ban of league use

I appreciate very much the opportunity to respond to the letter published in the previous edition of The Sea Coast Echo concerning the use of the football stadium by Bay Youth

I wish to preface my remarks by stating that I am always available to the public and believe very much in an "open door" policy to address the concerns of our community.

Last year, prior to football season, I spoke with a representative of Bay Youth Football, and it was agreed that the football stadium would be available for their use. This included the use of the lights and the scoreboard. I only requested that trash or litter resulting from this use be collected and disposed of properly. In other words, leave the stadium as you

After each weekend of youth football, trash and litter remained, making it necessary to asign a school district employee for an entire day to collect and bag the trash and litter.

As the football season progressed, a fence was installed to restrict spectator access to the area behind and under the bleachers. Within two weeks, the fence had been disfigured by players or spectators sitting on top of the fence.

### EYES ON MISSISSIPPI

By Bill Minor

### Recall election law from 1956 being used

The Byzantine politics of tiny black-belt Noxubee County has once again grabbed the limelight in Mississippi as it attempts this week to become the first county to recall a county official under a virtually unknown 1956 state law.

Gov. J. P. Coleman had made the enactment of a recall law for county offices only - a celebrated cause when he campaigned and won the governor's office back in 1955, raising the grim spectre that liquor and gambling racketeers were plotting to corrupt county law enforcement officials.

Coleman got the recall law through the 1956 Legislature with great fanfare as key a weapon to protect citizens from malevolent county officials. But in the 37 years it has

been on the books, only once in Prentiss County shortly after the law was enacted --- has a group of citizens gone through the rigorous petition procedures it requires to try to remove a county official. Even that one attempt in Prentiss County came to naught.

Now a sizable number of the 1908 voters in Supervisor District Four of Noxubee County are out to recall Supervisor Ralph Higginbotham, a rustic white guy from the tiny village of Shuqualak, for grievances which don't seem to be very serious, but obviously mask some deeper political issues.

The recall effort has gone all the way to the judicial finding stage. Three chancery judges, appointed by Lt. Gov. Eddie Briggs when he served as acting governor in August, was scheduled to convene this Thursday as a removal council to hear evidence by citizens against Higginbotham.

A flurry of legal maneuvering launched by supporters of the supervisor was underway in an effort to put off or quash the recall procedure.

Higginbotham's backers vehemently contend that the petition to remove the supervisor from office, required under the 1956 law to have signatures of 51 percent of the district's registered voters, contained at least 147 fraudulent affixed names which they detailed in a list.

However, the petition was sent on by the county registrar to Gov. Kirk Fordice's office as containing 1,075 signers, more than the 973 needed for 51 percent to convene a removal council. If the 147 alleged fraudulent signers were removed, it would have fallen short of the required number.

In the governor's office, Fordice executive assistant Andy Taggart put his approval on the petition as being sufficient, despite protests from major Higginbotham backers. This happened at the time Fordice was in the hospital in Houston, Tex. for prostate cancer surgery.

Very quickly, Briggs, as acting governor, proceeded to create the three-judge removal council to hear the case against Higginbotham.

One longtime Republican leader in Noxubee County last week hurled charges that both Taggart and Briggs were willing participants in a conspiracy to remove Higginbotham from office without justifiable cause.

"The governor's office let a bunch of perjurers and forgers come down here to put a good man out of office," Sam R. "Tiny" Heard, a prominent Noxubee County land owner said in Jackson. "There appears to be a conspiracy, and Andy Taggart and the Lieutenant Governor are both a part of it."

Heard, former member of the GOP state executive committee, said "I don't believe this would have happened if the governor had been here."

However, Heard conceded that he has not been given access to Fordice since the governor recovered from his

All sorts of political intrigue seems involved in the recall move. One Heard suggests is that Taggart's former law firm -Butler, Snow and Cannada of Jackson - represents Charlie Thomas, owner of the large Shuqualak Lumber Co. in Noxubee County, and the Thomas family is a key force behind the recall effort.

Heard points out that Higginbotham had incurred the wrath of the Thomases by voting against extending a 10-year tax exemption for Shuqualak Lumber.

But looming somewhere in the politics of the recall is the raging battle between two huge companies - Hughes/ Federated Technologies of Mississippi Inc. and US Pollution Control Inc., a wholly owned subsidiary of Union Pacific Railroad — to build a multimillion dollar hazardous waste facility in Noxubee County.

At one point, Higginbotham had voted to give the board of supervisors' approval to Hughes/FTI and that made enemies of USPCI forces, plus a third force in the county which wants neither group to get the facility. Feeding financial backing to that group is Chem-Waste, operators of a big facility not far away in Alabama.

### Bourgeois-Stieffel-Ray American Legion and **Auxiliary Post & Unit 77**

Approximately 44 pints were collected at American Legion Post and Unit 77's semi-annual blood drawing Wednesday, Sept. 22 at the Post Home.

Before the blood drawing began, Lisa O. Imbragulio, assistant director, donor resources development, American Red Cross, conducted an indoctrination session on the regulated procedures for American Red Cross Blood Services.

A 13-minute video entitled, "Core of Volunteer Training" was shown. Members of American Legion Post 139 who are active in the blood drawing program, as well as Post and Unit 77 members, participated in the session.

All members present were asked to read and sign a consent decree summary. A consent decree between the American Red Cross and the Food and Drug Administration was entered into May 12, 1993. It enables the parties to avoid disputes about past events, eliminates the need for them to engage in expensive and time-consuming legal proceedings and permits them to focus efforts on ensuring future compliance with the law.

Inbragulio also stated the Red Cross is moving from a fairly localized collection and testing system to a national system with the transition to 10 national testing labs from 50 now being used Our testing lab will be in Atlanta.

All participants in our blood drawing program are certified as of this drawing.

# Jackets sting Tigers 26-21

BY TRACI BONNEY and JIMMIE BREWER In a game filled with flying, diving catches, bone/chilling hits, razzle dazzle plays and a standing room only crowd of screaming, cheering hometown fans, the never say die Bay High Tigers lost homecoming on the last play of the game Friday.

\* The Yellowjackets of St. Martin orchestrated a John Elway like two minute drill in the last 90 seconds, moved the ball down the field and was capped by an acrobatic touchdown catch in the endzone delivered by yellowjacket quarterback Doug Hitton, as time expired on the clock.

The score was 21-19 in favor of the Tigers as the game was ending, but the Jackets squeezed in a touchdown as the horn sounded. In the pandemonium following the play, the referees called unsportsmanlike conduct penalties against both teams, as officials in the press box apparently thought the touchdown was recalled. Officials on the field indicated after the melee, that it was a good touchdown. This was followed by the PAT

sailing through the uprights making the score Yellowjackets

26, Tigers 21. Several Bay High players were nearly inconsolable as they left the field, and head coach Rocky Gaudin slowed down only long enough to say, "It's a hard loss. I'm hurting.

St. Martin head coach David Oakes commented, "Bay High's a very, very talented team with a lot of good players. There was a lot of hard playing by both teams tonight. Bay High's playing tonight was a credit to the team's coaches."

The Tigers drew first blood with a touchdown near the end of the first quarter. With about a minute left in the first period, the Tigers' quarterback and safety, Sam Sheppard, capitalized on a Yellowjacket fumble inside the Tiger 20, when he picked up the ball and raced 85 yards untouched into the

endzone. The PAT was good, making the score 7-0.

The Tigers' joy was shortlived, though, as the Jackets answered with a TD of their own two plays later. The extrapoint kick was no good, and the score stood at 7-6 with 39 seconds left in the quarter.

The Tigers ended the first period in possession of the ball, but were forced to punt early in the second quarter. St. Martin couldn't get anywhere, however, and were forced to punt seven plays later.

The Tigers launched an impressive 11-play drive that ate up most of the second quarter and ended in a pass by Sheppard to Cedric Clayborn for Bay

High's second score of the night. The first point-after attempt drew a St. Martin penalty that put the ball at the 1-yard line. The Tigers called a timeout, then came back to the line of scrimmage and ran a 2-point conversion attempt. A deter-mined Sheppard pushed over the goal line, bumping the score to 15-6 with 3:53 left in the half.

The Tigers held their lead for the remaining three minutes, but the second half of play told a different story.

The Yellowjackets received the opening kick of the third quarter and mounted a 10-play offensive that put 6 more on the board for the visitors. The point-after kick succeeded, and the score stood at 15-13 with 7:47 on the clock.

The Tigers took the ensuing onside kick at their own 46, but lost the ball on the next play when the Yellowjackets recovered a Bay fumble. St. Martin wasted very little time in securing a lead, taking only five plays and two minutes to score again.

The 2-point conversion attempt after the touchdown failed as the pass was intercepted, but St. Martin now led 19-15. Ten plays and 41/2 minutes

later, the Tigers had recovered the lead. Sheppard, Clayborn, Dwayne Antoine and Xavier Lewis combined to move the ball to the goal line in a series of handoffs and passes. On the 10th play, Sheppard

took the ball in on a quarterback sneak. He was thwarted in a 2-point conversion attempt. though, and the score stood at 21-19 with 47 seconds left in the third quarter.

For the next 12½ minutes, possession of the ball changed hands six times. The 'Jackets had the ball the last 11/2 minutes of the game - just enough time to win.

The loss puts the Tigers at 0-2 in division play. The 2-3 squad hosts another division rival, Pearl River Central, this Friday at Joe D. McCollough Stadium. Kickoff is at 7:30 p.m.

### Either-sex deer harvest program offered

Landowners and hunting clubs can take either-sex deer on their properties this year through the Fee-based Management Assistance Program (FEMAP), according to the Department of Wildlife, Fisheries and Parks.

FEMAP allows landowners and hunting clubs controlling relatively small acreages to harvest antlerless deer by purchasing \$10 permits.

Permits allow taking antlerless deer any time during regular open gun seasons. Completing and returning harvest reports are mandatory for participation in the program.

Anyone wishing to join the FEMAP, program must: 1) Have a tax receipt, a hunting rights lease or a notarized letter from the landowner authorizing exclusive hunting privileges; 2) Bring personal identification and a social security number to

county sign-up locations.

Permits will be issued at the rate of one permit for the first 25 acres and one permit for each additional 50 acres.

Questions about FEMAP participation should be directed to local county conservation officers.

### Bearcats down Hawks 28-14

Special to The Echo It was a hard-fought district fight, and only seven points separated the Hawks and the Bearcats all night until the Bearcats added one last touchdown in the waning minutes of the game to ease away from the Hancock High School Hawks Bearcats in Lance Lumpkin Stadium in Long Beach Friday night left each team even in district play— the Bearcats 1-1 and the Hawks 1-1.

Said Hawk head Coach Irvin Favre, "We had our opportunities, but we just couldn't make the play.'

Bearcat head coach Joey D'Angelo said, "The difference between tonight and last Friday night against D'Iberville was that we made the big plays tonight; we didn't last Friday night. And we had some really good practices all week in preparing for this game.'

The Bearcats opened up the scoring with 4:11 left in the first period when junior running back Avery Taylor picked off a Hawk pass on the Hawk 35 and rumbled down the Hawk side of the field for the touchdown. Anthony Sacco, as he would all night, split the uprights to make it 7-0.

But the Hawks returned the favor. Hawk Lance Wedgeworth recovered a bobbled punt reception by Bearcat Mike Dayis on the Bearcat 49, and that set up a seven-play, 49-yard drive by the Hawks for their first score.

Wedgeworth plunged over from the one with 8:06 left in the second period. But the extra point kick missed. It was Bearcats 7, Hawks 6.

But two plays later the Bearcats scored a second time.

From his 9. Bearcat quarterback Chris Reinike uncorked about a 40-yard toss to wide receiver Jason McGill, who pulled in the pass on the 50, stumbled once and then raced to the end zone for the Bearcats' second score.

Sacco's kick was good. At the half, it was Bearcats 14, Hawks

In the opening plays of the third period, the Hawks had a chance to score when Hawk Migel Smith pounced on a Bearcat fumble on the Bearcat 34. After failing to move the ball, the Hawks punted.

Two plays later, from his 23, Bearcat running back Brian Chappell rumbled up through the middle of the Hawk line, broke free and raced 77 yards for the Bearcats' third score...

Sacco's kick was good, making it 21-6 with 8:49 left in the third period.

Next the Hawks pulled to within seven when Reineke bobbled a low snap on a punt and the Hawks recovered on the Bearcat 20.

Three plays later, with 3:37 left in the third period, Hawk fullback Marlon Allen bullied over from the three. Hawk quarterback Scotty Davis hit Wedgeworth for a two-point conversion. It was 21-14.

The Hawks had a prime chance midway in the fourth quarter to even the score when Hawk Migel Smith pounced on another Bearcat fumble on the Bearcat 31. But on the first play, Bearcat Mike Davis picked off his second Hawk pass of the night to kill that threat and set up the Bearcat's last scoring drive.

It was a 62-yard, six-play drive, highlighted by a 38-yard pass from Reinike to McGill on the same down-and-out route as produced the earlier touchdown.

Four plays later Taylor ran 10 yards for the last touchdown. Sacco's kick was good, winding up the scoring for the night at

# Special to The Echo BY JOSEPH GEX

The St. Stanislaus Rock-achaws remained winless on the season with a 28-0 loss to the d'Iberville Warriors on Friday.

The Rocks held the Warriors scoreless in the second half of play; however, it was to no avail since d'Iberville held the momentum throughout the

The Rocks kicked off to the Warriors to start the game and came out ready to play. The second offensive play from scrimmage for d'Iberville ended in a fumble recovery for the Rocks. They had the ball in Warrior territory and seemed poised to

After a big gain from Bobby Williams' 12-yard pass reception from Nathan Middleton, the offensive sputtered. Charles Olives attempted a 41-yard field goal that was short. With 7:47 to go in the first quarter,

the score remained 0-0. D'Iberville took over on their own 34-yard line. The Warriors pounded through the Rock defense with mainly keeping

the ball on the ground. The Warriors gained four first downs on this drive; however, it wasn't easy for them to do it. The Rock defense led by Rocky Sapia and Kenny Monti made the Warriors work for

every yard they got. With 2:54 left in the first quarter, the Warriors got a 30-yard TD run from their tailback. The PAT attempt was no good, leaving the score 6-0.

The Rock offense never got on track. The drives seemed to sputter all night. As on their second offensive series, the Rocks went three plays and out.

The Warriors received good field position all night. This series the Warriors started on the Rock 41-yard line.

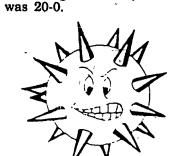

The Warriors set up the big play of the series by getting minimal gains up the middle. Warrior quarterback Jeremy Forehand connected with a Warrior wideout for 40-yards down to the Rock 1 yardline.

On the next play, a Warrior running back slipped in for a 1-yard touchdown run. The conversion attempt was good as a Warrior running back went offtackle for two. With 10:03

The Rocks put in a new quarterback, Correy Gex. However, the offense was unable to move the ball and had to punt. The snap was mishandled and the Warriors took over at the Rock

33-yard line. On the second play of this offensive series, the Warriors scored on a 16-yard touchdown run by their fullback. The PAT attempt was no good. With 6:01 remaining in the half, the score

The offensive came back onto the field for the Rocks. It had a bright spot when Gex hit Jason Mayes for a gain of 20 yards and a first down, but the Rocks eventually had to punt.

The Warrior offense looked impressive on this series. They had huge gains from the Warrior backfield. With hardly any time left, they sliced through

the Rock defense. A Warrior runningback caught a 19-yard touchdown pass coming out of the backfield. The two-point conversion

was good making the score 28-0 with :46 seconds left in the half.

The Rocks came out on offense to start the second half. The Rock offense had minimal gains from Jeep Mestayer but had to punt away to the Warriors.

On the Warriors first play of the half, they fumbled a handoff that was recovered by SSC's Kenny Monti.

The fumble recovery was to no avail as the Rocks went three plays and punt. However, two palys later the Warriors fumbled again and Rock defensive back Charles Olives returned the ball to the Warrior

36-yard line. The Rock offense just couldn't seem to get the ball rolling. This drive by the Rocks was upended by an interception

The Rock offense came out with a little spirit and forced another fumble that was recovered by linebacker Imori

Eshers. Still, the Rock offense was cold. With minimal gains from Mestayer, the Rocks had to punt back to the Warriors.

The Rock defense came out and held strong forcing the Warriors to punt for the first time of the game.

The offense got a huge boost this series when running back Brooks Quinlan broke a run offtackle for 50 yards down to the Warrior 6-yard line. Unfortunately the Řock drive came to a halt with a second interception from the Warrior defensive secondary in the endzone.

# Scarborough-Quintini

Melanie Nicole Scarborough of Natchez, and James Francis Quintini of Biloxi were united in marriage July 17, 1993, at the First Baptist Church in Gulfport.

The Rev. Roger Alewine officiated the 7 p.m.

ceremony.

The bride is the daughter of Mr. and Mrs.

Irwin Scarborough of Natchez.

The groom is the son of Margalo Quintini and

the late Perre Quintini.

The bride was given in marriage by her father. She wore a white satin designer gown by Mori Lee. The bodice featured an off the shoulder neckline, which was accented with scalloped lace and seed pearls. The detachable full chapel train was attached to the waist with a large satin bow and was adorned with lace and pearls. Her waist length veil was attached to a halo of beaded pearls, accented on the side by a pearl flower with

strands of pearls flowing from it.

The bride carried a bouquet of peach and white roses with baby's breath.

The attendants wore full length suits of peach silk shantung. Each featured a fitted of the shoulder jacket with a peplum and accented with pearl and gold buttons.

Nicole Baldwin of Natchez was maid of honor. Bridesmaids included Lacy Scarborough of Natchez, sister of the bride: Shannon Brewer and

tickets and more information

about the Natchez Fall Pilgrim-

age can be had by calling Natch-

ez Pilgrimage Tours toll-free,

Lyn Fortenberry of Natchez; Susan Quintini and Käthleen Quintini of Bay St. Louis, sisters of the groom; Delilah Quintini of Bay St. Louis, niece of

Best man was Peter Nord of Gulfport. Groomsmen and ushers were John Pat Quintini of Slidell and Kenneth Quintini of Bay St. Louis, brothers of the groom; Mike Wilson of Starkville and Mark Wilson of Denton, Tex., cousins of the bride, Bobby Grosse of Metarie; Bill Howe of Long Beach, Lee Cooke of Pass Christ-ian; and Watson Nord of Gulfport.

The attendants were attired in floor-length two piece dresses in silk shantung in the color

American Beauty (a cerise hue).

The fitted jackets with covered buttons and shirred shawl collar topped long slim skirts. They carried crescent bouquets of stargazer lilies, als-

troemeria and fresia. Flower girl, Kristina Quintini, was escorted by

Curtis Quintini, niece an nephew of the groom, respectively.

A reception was held at the home of Mr. and Mrs. Peter Nord. Assisting were Mrs. Dix Nord of Gulfport, Mrs. Carol Metz and Mrs. Joan Roberts. of Biloxi, and Mrs. Rita Brewer of Pensacola. After a wedding trip to Destin, the couple will make their home in Biloxi.

### Shiyou-Peterson

Mrs. Lois Yarborough of Waveland announces the engagement and forthcoming marriage of her daughter, Paulette Peterson, to Hugh Shiyou, the son of Mr. and Mrs. Michael J. Shiyou of Ansley.

The bride-elect is the daughter of the late Walter Yarborough, and the granddaughter of the late Monroe and Cornelia Necaise and the late Jeff and Ruth Yarborough.

The prospective groom is the grandson of Lola Ladner of Bay St. Louis and the late Crayton Shiyou, Rufus LaFontaine of Ansley and the late Lillie Barr LaFontaine.

Wedding vows will be exchanged January 8.

Natchez, the oldest settlement on the Mississippi River, will welcome Fall Pilgrimage tourists from all over the world Oct. 2-22. The tour features 24 of this historic Southern town's most famous antebellum home-

s, some of which are opened for

Fall Pilgrimage only. The 24 houses on tour are featured on designated days, with four houses open each morning and four each afternoon. A single tour of four homes costs \$16 per person; however, if multiple tours are purchased at one time, the price is \$14 per person per tour.

Tickets are available only at

### Wakefield gets lead role

Heather Wakefield, daughter of Diamondhead residents Robert and Kim Wakefield, was recently chosen for the lead part in a Broadway musical comedy,

"Anything Goes."

The play, presented by Delgado College in New Orleans and directed by Tim Baker, opens Nov. 4 at 8 p.m. and runs through Nov. 14. She will also appear in Anne Rice's, "Interview With A Vampire," to be filmed in New Orleans this month.

Wakefield is a 1992 graduate of Hancock High School. She is majoring in physical therapy at Delgado College.

### Story hour titles told

"Give A Hoot" will be the theme for this week's children's story hour at the City-County Public Library in Bay St. Louis Wednesday, Oct. 6 at 10:30 a.m.

Owl Moon, Owl at Home and The Owl and the Prairie Dog are books to be read.

Children will see a movie coloring sheet. Refreshments will also be served.
"Circus! Circus!" will be

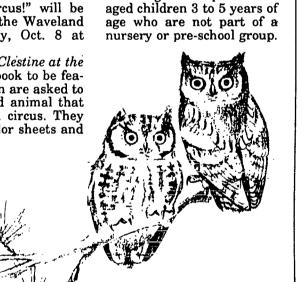

the theme at the Waveland Library Friday, Oct. 8 at 10:30 a.m.

Ernest and Clestine at the Circus is the book to be featured. Children are asked to bring a stuffed animal that would be in a circus. They will receive color sheets and refreshments.

Weekly story hours are held at the City-County Library and the Waveland Library from September through May. Programs last approximately one hour.
The Kiln Library hosts

story hour every other Friday at 10:30 a.m. These programs last approximately 30
